Dear Dr Bang

We are most pleased to officially advise that the AFBE Executive Committee has endorsed the recommendation of the Peer-Review Team (PRT) to award the Executive MBA program unconditional accreditation to Level 3 (International) for a period of 5 years.

The PRT has been impressed with the considerable enhancement to program quality that has been forthcoming since the original audit in January 2012.

The award of International accreditation to the Executive MBA program is in recognition of the efforts of the staff and faculty of both the Executive Education Center and the Bang College of Business. The outcome is a business education program that we believe is equivalent to a world-class standard.

Yours sincerely

Brian Sheehan
