2 Abai Ave #102
Almaty 050010
Kazakhstan

Dear Dr Bang

We are most pleased to officially advise that the AFBE Executive Committee has endorsed the recommendation of the Peer-Review Team (PRT) to award the MBA and BSc programs unconditional accreditation to Level 3 (International) for a period of 5 years.

The PRT has been impressed with the considerable enhancement to program quality that has been forthcoming since the original audit in September 2011.

The awards of International accreditation to the MBA and BSc programs are in recognition of the efforts of the staff and faculty of the Bang College of Business. The outcome is a business education program that we believe is equivalent to a world-class standard.

Yours sincerely

Brian Sheehan
