Grades A, B, C and D are passing grades. Grades below D- are failing grades and are not counted towards degree requirements. The Grade "I" (or incomplete) means that a student has not completed the course for which that grade has been awarded: a failure to comply with the requirements for rectifying the grade of I, means the grade will automatically become a grade of AW for that course. The grade W denotes a student having withdrawn from a course after the date for proper withdrawal has passed.
