RESERVE Collection

The library has a collection of materials that are in high demand. This includes core materials that faculty of the certain courses want students to use. They might include textbooks, photocopied articles or other items. The Reserve Collection is located on the second floor of the library building.

TEXTBOOK RENT

Renting textbooks from the library is a convenient way to study without the cost of purchasing the textbook. Students place a textbook security deposit in the amount of **66 010 KZT**. Students then receive the required materials for their courses at the Library. The Library charges a rental fee for all materials provided; the rental fee is 25% of the replacement cost of the material and it is collected from the textbook security deposit. At the end of a student's career, the balance of the deposit is returned to him/her.

LAPTOP RENT

Library provides the students with the service of laptops renting. The request for the laptop should be made from the Student Portal. Laptops are issued in the office #101 of the library for two rental periods: 1 month and 1 semester.

The rental fees are:

Fall/ Spring semester- **45 000 KZT**
