

FEEL YOURSELF AS A

KIMEP UNIVERSITY STUDENT!

ATTENDING UNDERGRADUATE AND GRADUATE PROGRAM LECTURES **FREE OF CHARGE**

We are inviting you to attend classes
at KIMEP FREE OF CHARGE!

Look from the inside: it is a great way to feel yourself as KIMEP student before getting enrolled, to get acquainted with KIMEP faculty members and students, to see how students actually study at the program of your interest.

Class Observation – is a great opportunity:

- To select your program by attending the classes at the program of your interest;
- To learn more about your selected major / program;
- To get acquainted with the style of teaching at KIMEP;
- To socialize with faculty members;
- To learn about the students of the selected specialization;
- To make new friends, to get new useful acquaintances;
- To gain an experience of studying at KIMEP before getting enrolled;
- To get familiarized with the literature sources.

*Professors from all over the world will help you
to select your profession!*
